## **BONUS POINT SYSTEM**

- 1) The bonus point system is voluntary and you must indicate on your application whether or not you are participating. You may not just purchase a bonus points. BONUS POINTS ARE NON-TRANSFERABLE.
- 2) Bonus point are accumulated separately for each individual species.
- 3) By participating in the bonus point system, any bonus points that you may have already accumulated will be used to increase your odds of drawing a license, and if you are unsuccessful, you will be awarded one bonus point which will improve your chances in future drawings.
- 4) If you choose not to participate in the bonus point system, your application will still go into the drawing one time, however, any accumulated points will not be used to increase your odds and you will not earn a bonus point if you are unsuccessful.
- 5) If you are successful in drawing a license and participating in the bonus point system, you will then lose all bonus points. An applicant participating in the bonus point system will receive either a license or a bonus point, not both.
- 6) You may skip two concurrent years of participation without forfeiting accumulated points, but if you skip the third year (or have errors that eliminate you from the drawing) your accumulated points will be lost.
- 7) FWP attempts to contact you each year to report your accumulated points. Bonus point status may be looked up online at fwp mt gov. It will be the hunter's responsibility to report any discrepancies
